

Jesus' 40 Days in the Wilderness

Here is an excellent cartoon video of Jesus' 40 days in the wilderness.

It lasts only 4 minutes.

It can be used with any age group or range of age groups.

It would stimulate great reflection and discussion with Christians and others.

It could be shown during a worship service, in a fellowship group, or as a backdrop at a men's breakfast, or church coffee morning, or whatever.

It is free to use, and can be found on YouTube at: <https://www.youtube.com/watch?v=P-6a25Yo2wE>

Could you use this video effectively in your church?
