

Dear Lord, Creator

(tune – St. Clement)

Dear Lord, Creator, our praise arises
In awe of everything we see.
For bounteous joy in all its guises
We lift our hearts and sing to Thee!

The Bread of Life, the Gate, the Shepherd,
The Resurrection, and the Vine.
The Way along our lives is measured,
We bow before the Light divine!

The way we know through Your Son Jesus,
Our Saviour bled upon the cross
Our sins were paid, our Saviour frees us.
For Christ our King is Satan's loss!

On mountaintop the three Apostles,
Struck down and blinded by the light;
Elijah, Moses, and Father speaking,
But only one was in their sight!

We sing to glory, sing forever,
To Christ our Saviour bend our knee,
Throughout our years we shall endeavour
To give our lives, dear Lord, to Thee!
